SOUTH AFRICAN SAFARIS

Natural beauty and luxury living combine to ensure an unforgettable expedition. It's hard to describe the privilege of being within a few feet of a black rhino, or a lioness and her cubs, roaming freely in their own protected habitat. Driving through the bush with your expert ranger-guide there are numerous encounters with majestic animals, but the tingle of excitement never diminishes.

Thrilling days are perfectly complemented by enchanting evenings at the lodge, relaxing beneath the stars, enjoying your private chef's fabulous cuisine.
